SUBJECT MATTERS

SUBJECT MATTERS

A YEAR OF WEIRD AND WONDERFUL LEARNING FOR EVERYONE

Come along as we delve into a year of weird and wonderful learning! One topic, every month. You choose what and how you want to learn about it... we will provide the resources. Our October Subject Matters theme is Art as Activism.

Craftivism is a form of activism that often uses fiber arts (think knitting, embroidery, quilting) to raise consciousness about important topics. A softer, gentler way to revolt!

What is Street Art? Is it just the same as graffiti? Check out our October YouTube playlist to learn more about Street Art and Art Activists all over the world!

This month our craft kit is a collaborative community project! Pick up a kit, create a quilt square (no sewing experience needed) and return to the library once completed to be added to a community quilt. We have a version too!
